<b>Login for deeresources.com</b>	<p>Although it appears that a user-specific ID/password combination is needed to log into <a href="http://www.deeresources.com">http://www.deeresources.com</a>, all use DEER/2008 for access.</p>  <p>The screenshot shows a web browser window titled "Login Form". It contains two text input fields. The first is labeled "Username: DEER" and contains the text "DEER". The second is labeled "Password: 2008" and contains four dots. Below the password field is a checkbox labeled "Remember Me" which is unchecked. At the bottom of the form is a button labeled "Log in".</p>
